

THERESA LAGALANTE

Ms. Theresa worked in the insurance industry as an underwriter for 25 years before deciding to switch careers and gain experience in education. She has been working at GAI since 2017 and holds a Teacher Assistant Certificate.

Ms. Theresa believes that switching careers was the best decision she ever made. She feels fortunate to spend her days with the 3K students and is happy to work alongside such a great staff.

In her free time, she enjoys going to the beach and relaxing in the sun. Additionally, she loves to travel, shop at thrift stores, and enjoy the many activities she shares with her husband, all of which bring her great happiness.

A TRADITION OF EXCELLENCE
