

HAFIDA ERRAMI

Ms. Hafida Errami is a Certified Teaching Assistant and is thrilled to return for her second year at the Greek American Institute. She works hand in hand with Ms. Curtin in the Kindergarten classroom, where the two have quickly become a dynamic duo, feeding off one another's positive, caring, and playful energy. Together, they model kindness, collaboration, and mutual respect for their students each and every day.

Ms. Hafida is a loving mother of two beautiful daughters and brings that same nurturing, motherly presence into the classroom. Along with her warmth and kindness, she is incredibly knowledgeable and dedicated. Prior to Ms. Curtin's arrival in November, Ms. Hafida stepped into the role of lead teacher for two months, impressing every member of the GAI community. During that time, she ensured that students were not only safe and happy, but actively learning across all subject areas.

Her dedication, persistence, and eagerness to grow as an educator continue to inspire those around her. Students, families, and staff alike adore Ms. Hafida for her patience, humor, intelligence, and loving nature, she truly is a dream teacher.

When Ms. Hafida is not in the classroom, she enjoys cooking for her family!

A TRADITION OF EXCELLENCE
