

## GEORGIA REYES

Ms. Georgia Reyes is in her first year at GAI as an after-school teacher and substitute teacher. She describes herself as a responsible, optimistic, friendly, and focused individual who is deeply committed to supporting students.

Ms. Reyes is passionate about providing a safe and enriching environment where children can continue learning and growing beyond the traditional classroom setting. She strongly believes that play and exploration are essential components of childhood development. She feels truly blessed to have a job she loves and to play a meaningful role in shaping the early journeys of the next generation.

She is fluent in English, Greek, and Spanish, and she enjoys organizing events that bring people together. She values spending time with friends and family and is often someone others turn to for support, guidance, and advice.

In her free time, she enjoys watching criminal justice shows and documentaries and spending quality time with her family and her son.
